- 3D Printing

EDUCATION

Master of Applied Arts

(Ho Chi Minh city University of Fine Arts)

(2024 - Present)

Bachelor of Industrial Design

(University of Architecture Ho Chi Minh city)

(2017 - 2022)

WORK EXPERIENCE

Product R&D Engineer / Product Designer

Maztermind (2024 - Present)

- Designed product lines including board games, home decor, and gifts.
- Conducted R&D on various materials and 3D printing.
- Handled physical prototyping and mold making for production.

Designer & Illustrator

Jelly Key (2024)

- Created digital paintings and concepts for artisan products.
- Designed illustrations for print and digital displays.
- Worked with 3D teams to turn 2D concepts into physical prototypes.

3D Concept & Producer

Ki Saigon (reborn.design) (2020 - 2023)

- Created 3D models, technical drawings, and renders.
- Handled print and physical production using wood, lacquer, brass, paper, and plastic.
- Ensured final physical outputs accurately matched digital designs.

Freelance Graphic Designer *(2018 - Present)*

- Designed visual identities, custom apparel, and assisted in event logistics for various tournaments and educational programs.
